Arjun Singh

Engineering Student | MECH | India
9876543227 | arjun@gmail.com | PRN: PRN013

Education

Bachelor of Engineering / Technology - MECH Expected 2027

CGPA: 7.60/10 | Department: MECH | Current semester: see student record | Backlogs: see student record

Experience

Mechanical Design Trainee (Academic Simulation) Academic / Sample Profile

Practiced part modeling and organized design parameters and calculations for mechanical coursework.

Projects

Component Design Portfolio *CAD*

Created sample 2D/3D component drawings and documented dimensions and design assumptions.

Workshop Data Summary *Excel, Python*

Summarized sample workshop measurements and plotted comparisons across test runs.

Technical Skills

CAD, Python, Excel, Engineering Drawing, Manufacturing Basics, Data Analysis

Achievements

- Completed a component modeling exercise.
- Prepared a technical drawing and calculation sheet.
